CAREER IN ACTION

MEDIA MARKETING STRATEGIST SCRIPPS/KMGH | DENVER, CO | 2021–2025

OVERVIEW

As the Media Marketing Strategist for KMGH/Denver7, I functioned as the connective tissue between Creative Services, Programming, News, Sales, Community and Scripps National. An integral part in media buying decisions, deciding how our promos are placed within broadcast programming and managing our brand and image, while also contributing and collaborating with our Creative Services team to produce award winning promotional and image campaigns

Brand Strategy & Management: Created comprehensive Brand Standards Guide during major rebranding initiative from "The Denver Channel" to "Denver7," ensuring consistent visual identity across all platforms and messaging alignment with community values

Budget & Project Management: Led \$500K+ building relocation project, managing vendor relationships, timeline coordination, and budget oversight for complete aesthetic redesign reflecting brand positioning

Cross-Departmental Leadership: Collaborated with all station departments to develop strategic marketing plans that expanded viewing audience and strengthened community brand presence

Executive Collaboration: Partnered directly with Scripps National executives and local management to maintain brand continuity and strategic messaging consistency

Digital Strategy: Worked closely with Digital Team to build and track social media presence, contributing to measurable audience growth

Content Production: Oversaw all promotional and image-related video production, ensuring high-quality content delivery on schedule and within budget

Awards & Recognition: Nominated for 5 Emmy Awards for Promo & Image Campaigns (2022-2024); Colorado Broadcaster Association Award Winner for Promo & Image Campaigns (2022-2024)

MEDIA AGENT

DONNA BALDWIN AGENCY | DENVER, CO | 2018–2021

OVERVIEW

As the Media Agent for Donna Baldwin, I represented all of our adult actors (18 yrs +) and collaborated with Casting Directors and Creative Agencies to book our talent in commercials. I worked with and mentored our talent to help them grow and develop their talent and opportunities, connecting them with acting coaches and out-of-market agents and helped them develop their "brand," coaching them with their acting reels, headshots, and cultivating their online presence.

Client Relations: Collaborated with creative agencies to identify and pursue new business opportunities and talent acquisition

Contract Negotiation: Successfully negotiated complex contract terms including rates, usage rights, and distribution agreements on behalf of talent portfolio

Market Research: Monitored industry trends through social media and online sources to inform strategic positioning and opportunities

Stakeholder Management: Maintained relationships with casting directors and industry professionals to fulfill client needs and expand business network
